

THE NICHOLAS CONOR INSTITUTE

for Pediatric Cancer Research

December 31, 2010

This Week in the News

Wishing You A Wonderful 2011

Thank you for all your support in 2010. We all look forward to a promising 2011.

Please stay in touch so you can track our progress while we develop new therapy alternatives for children with cancer!

TNCI Presents at FasterCures Meeting

This is a major milestone for TNCI!

[Follow this link](#) to view Beth Anne Baber's presentation at the Partnering For Cures conference. Learn how The Nicholas Conor Institute operates a joint innovation alliance business model called The Accelerator of Cancer Treatments in Children (TACTiC™).

The Rady School of Management and TNCI

Dean Bob Sullivan of UC San Diego's Rady School of Management describes how its curriculum was developed to support San Diego's high tech, life science and information industries and introduces Beth Anne Baber, a cancer researcher who used her Rady MBA to launch the Nicholas Conor Institute for Pediatric Cancer Research. Kyle Garlett's Ford Ironman coverage

Kyle Garlett, 39, is no stranger to medical procedures. In 1989, soon after the start of his senior year of high school in Wichita, Kansas, he was diagnosed with Hodgkin's lymphoma. After five months of radiation therapy, Garlett graduated high school and enrolled at the University of Missouri to study journalism. [Read more...](#)

Shop online and support TNCI at the same time

While shopping online this coming year, you can also support The Nicholas Conor Institute.

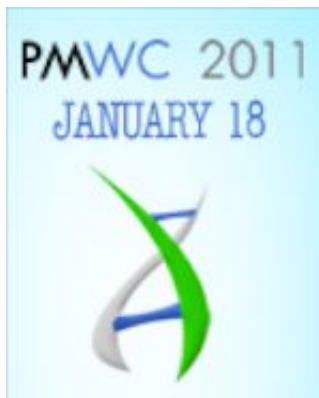

TNCI encourages our supporters to shop using [iGive](#) or [GoodShop](#). Take a look at the [TNCI Shopping Page](#) for other organizations that contribute a percentage of your shopping dollars to TNCI. If you shop through any of our recommended shopping sites, a portion of your purchase amount will go to TNCI to help us support the organization's Mission.

Facebook Causes Gift Cards are now available in Safeway and Vons grocery stores throughout California! Causes Gift Cards are the perfect gift for the socially aware friend, family member, and co-worker. Get one for a birthday gift or

another special occasion...or keep it for yourself and donate the money to the [TNCI Facebook cause!](#)

Around The Corner

Personalized Medicine World Conference

Beth Anne Baber will be presenting at PMWC2011.

PMWC 2011 is the only fully integrated conference on Personalized Medicine which brings together all aspects of business, government, healthcare-delivery, research and technology all in one information-rich, two-day conference.

Announcements

Volunteer Opportunities

Here at TNCI, we are always looking for people with creative talent and a desire to support our mission. Currently we are seeking dedicated individuals to augment our volunteer base in the fields of fundraising and grant development, event planning, marketing, information technology, accounting, and office administration. We welcome your commitment to join our team of volunteers.

[Opportunities at TNCI.](#)

Help TNCI develop treatment options for kids

Join TNCI today with your online tax deductible donation

and help us to develop better diagnostics and treatment options for saving children's lives. Look for the blue [Google Checkout](#) button on our donation page. To establish a recurring contribution, call us at (858) 227-9109 Ext.5 to get the process started. Thank you!

TNCI Distribution List and Facebook Group

We are still in the process of consolidating our distribution lists. If you believe you have been added by mistake, please unsubscribe by using the link at the bottom of this email.

Now you can [SUBSCRIBE](#) on line in a very simple way. Feel free to forward this email to those who may be interested. Our subscription page works for them as well!

We would also like to remind you that the Facebook TNCI group will be closed by the end of December 2010. [Please join our new Facebook page](#) to still be in touch with us.

Thank you very much!
